ALL AMERICAN FOOD®

A Taste To Remember...
Since 1919

In 1919, Roy Allen set up a roadside drink stand to introduce a new beverage called "root beer" at a parade honoring returning World War I veterans. With his creation an instant success, Allen took partner Frank Wright and named the beverage we know today as A&W® Root Beer. Today our A&W® Root Beer is made fresh in our restaurants, just as it was back then, with ingredients like real cane sugar and a proprietary blend of herbs, bark and spices. It's still caffeine free and served up in a cold, frosty mug. Almost a hundred years later, we still stand for classic American Food enjoyed over good times. Quality ingredients. Making it right, every time. Laughter, simple pleasures, and celebration. We're more than just a place to have a great meal. We're A&W®.
